

Cups for a Cause Application

Cups for a Cause is a biannual program highlighting Hawaii-based nonprofit organizations focusing on environmental and social causes. A custom design promoting the organization is printed on all standard 12 & 16oz cold cups and then distributed to businesses across the state. In addition to raising awareness, Sustainable Island Products also provides financial assistance to the chosen organization by donating a portion of proceeds from the sale of these specially-designed cups.

Directions: Please fill out the information and answer the questions below. Please submit the application to info@sustainableislandproducts.com.
